

LIN Botao

Ph.D., Associate Professor, China University of Petroleum at Beijing

Email: linbotao@cup.edu.cn TEL: +86-010-8973-2165

Address of Office: Room 1105, Zhongyou Building, College of Petroleum Engineering, China University of Petroleum at Beijing, 18 Fuxue Road, Changping District Beijing 102249, China

Education

Ph.D., Civil Engineering, University of Oklahoma (USA), 2012

M.S., Geotechnical Engineering, Sun Yat-sen (Zhongshan) University (China), 2007

B.S., Geology, Sun Yat-sen (Zhongshan) University (China), 2005

Research Areas and Interests

Prediction of stress field and fracture network in shale reservoirs

Geomechanics and efficient recovery in heavy oil reservoirs

Deepwater foundations and pipeline geomechanics

Teaching

Mechanics of Materials; Continuum Mechanics; Engineering Mechanics-Statics

Professional Experiences

2014.06 - present, Associate Professor, China University of Petroleum at Beijing, China

2013.09 - 2014.06, Assistant Professor, China University of Petroleum at Beijing, China

2007.07 - 2012.12, Graduate Research Assistant, University of Oklahoma

Other Appointments

Associate Director, Department of Oil and Gas Well Engineering

Board Member, SPE North China International Section

Member, Chinese Society for Rock Mechanics and Engineering

Member, Society of Petroleum Engineers (SPE)

Member, American Rock Mechanics Association (ARMA)

Associate Member, American Society of Civil Engineers (ASCE)

Honors and Awards

2017, Outstanding Young Faculty Award, College of Petroleum Engineering, China University of Petroleum, China

2015, Young Engineering Talents Award, Chinese Society for Rock Mechanics and Engineering, China

2015, Outstanding Supervisor Award, China Petroleum Engineering Design Competition, China University of Petroleum, China

2013 Outstanding Young Faculty Award, China University of Petroleum, China
